An executive committee meeting of Agri- the Alumni Association of College of Agriculture, Assam Agricultural University, Jorhat was held on August 7, 2023, under the chairmanship of Dr. J. Deka, Dean, CA, AAU, Jorhat to discuss various issues of the association. In this meeting, the executive committee had taken the following decisions to address various issues related to Agri- Alumni Association.

- i. The executive committee decided to initiate the process for registration of the association as per the Govt. act as deemed fit. The committee also decided to engage a chartered accountant or a lawyer to do the needful activities in this direction.
- ii. As the constitution of the Agri- Alumni Association of College of Agriculture, AAU was approved in the Academic Council held on 18th July 2023, the committee decided to publish the constitution on the website of the association and circulate it amongst the members of the association through various WhatsApp groups.
- iii. The committee also decided to conduct the election of the association to select various office bearers through an electronic voting system and to do the same, the committee selected Dr Chandan Hazarika, Chief Librarian and Professor, Dept. of Agril. Economics, AAU, Jorhat as the returning officer for the ensuing election of the association. He was requested to select a panel of experts in various capacities as per his need and also to initiate the process for the smooth conduct of the election.

- iv. It has been decided to publish the voter list of the association on the website for the ensuing election by including all the registered members of the association by 10th August, 2023.
- v. It has also been decided to make a provision for registration of new agri alumni who are not yet registered by paying Rs.100.00 per head. The final list of registered members will be uploaded on 17th August 2023. Only registered members will be allowed to participate in the ensuing election process.
- vi. The meeting ended with a vote of thanks from the organizing secretary, ad hoc Agri- Alumni Association of College of Agriculture.
